Why Us?

Our experience in planning and delivering the finest quality destination management programs includes over 24 years of direct hotel, vendor and visitor relationships. We've been in your shoes. We know what your needs are and we are focused at meeting them.

We're committed to providing excellence. This means being creative, detailed, informed, and in synch with your objectives.

Creative means developing a special program that is impactful, entertaining, fresh and unique as well maximizing your dollar spent.

Detail focused means thoroughly dealing with all the little things as well as the big components of your stay in paradise.

Informed means we've formed a bond with the Hawaii Visitor and Convention Bureau and the major players in our visitor industry, linking us with the latest and best that our destinations have to offer.

In synch with our customers means our team is dedicated to first understanding your needs, and then committed to addressing them with thoroughness, creativity and most important, with a spirit of aloha.

We're also focused on extending and sharing our cultural spirit of aloha. This means ensuring your attendees are treated to the warmth, generosity, diversity, and heritage of our islands and it's people.

"I look forward to personally working with you and your staff." - Laurie Jo
